training kitchen

## Special classrooms

school workshop

For teaching work activities, we use special classrooms.

## Gyms

large gym

small gym

Physical education is taught in two modern equipped gyms.

# Wellness center

All students can use during physical education these devices.

Whirlpool

Infrared cabin

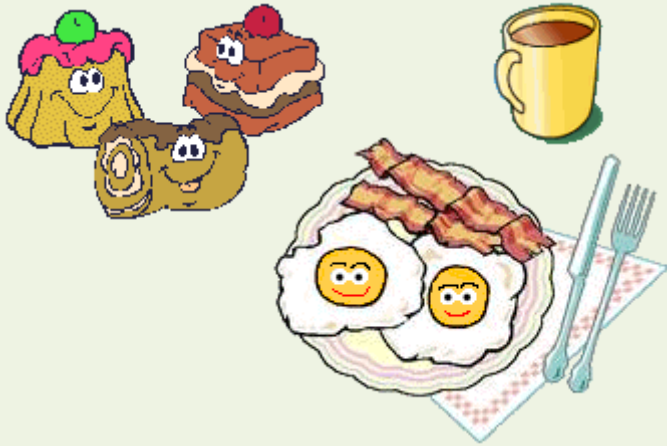

# Sports ground

Children and young people can use sports ground free under adult supervision.

## School canteen

All boarders have the opportunity to choose from three options.

## After school club departments for 1st grade pupils

School club provides  
leisure activities,  
relaxation and safe  
supervision of pupils  
before or after school.

## School club

departments for 2nd grade pupils

If they want, older students may attend irregularly club. There may, for example, play board games, listen to music or watch movies.

## School Library

Pupils can visit the library information center and free wireless internet.

## Concert Hall

In the concert hall are organized concerts and performances of pupils at the school and art school.

Since 2009 our school is engaged in e-twinning project “Let’s make friends“. Common work of children and teachers was awarded by quality certificate “E-Twinning Label“.

School educational programme „ Fair Play School“ is assembled to evolve talent and interests of all pupils.
